

## OUR LADY OF MOUNT CARMEL

Reverend John McGivern, *Pastor*

Paul French, *Music Director*

Kelly Dobbs-Mickus, *Organist*

### ABOUT THE PARISH

Our Lady of Mount Carmel, the founding parish of all the English speaking congregations on the North Shore of Chicago, was established in 1886. The present Indiana limestone structure was built in 1913 in English Gothic style. The motif of the exterior design is imitated in the Carrara marble work in the sanctuary. A notable feature of the church is the splendid opalescent stained glass. The fine ribbed vault ceiling and dark oak woodwork further enhance the building's warm ambience.

### ABOUT THE MUSIC PROGRAM

Music has always played an important role in the liturgical life of the parish, and this tradition flourishes to this day. With a rich legacy of musical leadership including Adalbert Huguélet and William Ferris that continues under the guidance of Paul French, the assembly has an opportunity to worship with music from the rich heritage of the Catholic Church, and is an active participant in all the liturgies through spirited singing of psalms, chants, acclamations, hymns, and songs.

In addition to the **Choir of Our Lady of Mount Carmel (Morning Choir)** whose repertoire is listed in this pamphlet, the Sunday afternoon liturgies feature contemporary music accompanied by piano and cantor. The **Contemporary Choir** sings a varied repertoire at that Mass during the Advent-Christmas and Lent-Easter seasons. The **High School & Collegiate Schola, Treble Choir** (grades 4-8) and **Junior Choir** (grades 1-3) sing chant, motets, and antiphons at liturgies throughout the year.

### ABOUT THE ORGANS

The historic E. M. Skinner pipe organ was built in 1928 by the prestigious E. M. Skinner Organ Company and was one of the last installations to be personally supervised by Skinner himself. Particularly noted for its large-scale pipes and extensive tonal range, the 54-rank, three-manual organ has been restored to its original magnificence and is maintained by the firm of Fabry Pipe Organs, Inc. The restoration was significant in that the instrument was not altered, but rather returned to its original tonal specifications, and as such is one of the very few unaltered Skinner instruments in existence. In November of 1987, as the result of a bequest from Helen Kellogg, Our Lady of Mount Carmel Church acquired a mechanical action pipe organ built especially for them by one of the world's premiere organ builders, Visser-Rowland Associates of Houston, Texas. From its splendid design and hand-carved casework to its exquisite tonal specifications, it reflects the genius of master craftsman Pieter Visser. The individual stops, under low wind pressure, allow for a wide range of expression. The sweet flutes and singing principals are crowned by a brilliant copper trumpet.
